

There is a wonderful message of peace, happiness, and hope that has meant a lot to me, and I would like to share it with you. To listen to one or several of these messages in your own language – every day, if you like – simply go to **[www.awr.org/podcasts](http://www.awr.org/podcasts)**.

On that page you will find many languages. Locate the program in English and click the icon. It will open to a page that will allow you to choose from a large selection of programs. Please invite your family and friends to join you. May you discover the same hope in these messages that I have found.
